Autumn Newsletter 2018

2018 has absolutely flown by with us being busy in several different areas of North Lakes Country Park! So far, we've had a really good tidy up, which has vastly improved the look of the Park. We have stored all the boats and canoes in one of the old cow sheds, moved the old gas storage, and started demolishing the Old Farm House, this will give every owner a better view over the Tarn and beyond.

We now have three brand new hire caravans available to rent, these come fully equipped, are ideal for extended family and friends, and are available to book through Hoseasons, or please ask Rose for full details.

We have launched a new website; www.northlakescountrypark.com we hope this will show the park off to any potential new owners and help us expand the park, which in turn will lead to further investment and improvements. Please feel free to have a look at the web site and browse the caravans we have available.

PERSONAL INFO

We would love to keep you informed about our future plans and developments, please provide us with your latest contact details [here](#) - particularly your email address as this is the best way for us to keep in touch.

2019 SITE FEES & SERVICES.

No increase for the 2019 season!

We are very pleased to announce there will be no increase to your fees for 2019 - the site fees and services will remain the same as in 2018. We will be sending the 2019 site fees and services bills out in December, with a payment date no later than 31st January 2019. **Late Payment Charge! Any owner who hasn't paid by 31st January 2019 will be charged a late payment fee of £100, therefore please ensure that your fees are paid on time.**

GoldPark Insurance! North Lakes Country Park has partnered with GoldPark to give our owners the most competitive insurance, cover starts from as little as £60 per year, please ask for details.

**OWNERS REFFERAL SCHEME
Get rewarded for referring friends
and family to North Lakes Country
Park!**

How does the North Lakes Country
Park Referral Scheme Work?

1. Collect a referral scheme form from Rose in reception.
2. Complete the form with your details and the person you are referring.
3. Hand the form into Rose when your friends or family visit the park.
4. Receive a minimum of £200 when your friend or family member completes the sale.

The scheme really is that simple,
we will pay £200 for the first
person you refer, £300 for the
second person you refer, and £500
for every person you refer after
that.

There are some rules. You can't
refer a current North Lakes
Country Park Owner. You must
present the referral form when
your friend or family member first
visits us. Referrals will only be paid
on static caravans and lodges that
North Lakes Country Park own,
referrals won't be paid on private
sale units. Referrals must be
genuinely referred and not
customers picked up on park.
